NOTES

NOTES

IMPORTANT NOTES

Any modification of the original factory condition of your vehicle may result in impaired driving and / or driving safety.

Please note that the standard series equipment may be omitted when ordering optional extras. Individual package contents can sometimes also be ordered separately. Since not all dependencies of single optional extras can be listed here, please check with your ERIBA dealer.

Accessories and original spare parts recommended by Hymer GmbH & Co KG are designed, developed and approved specifically for your vehicle. Your ERIBA dealer supplies these products; he is informed about all the technical details and can perform the necessary work in the correct manner. Accessories not approved by Hymer GmbH & Co KG, additions, alterations or installation parts can cause damage to the vehicle and reduce road safety. Even if there is an opinion of an expert or a parts-ABE type approval, Hymer GmbH & Co KG can not guarantee as to the proper nature of the product.

Please understand that for any damage caused by non-approved products or not allowable changes, liability for Hymer GmbH & Co KG can NOT be accepted.

Weight figures are approximate values. Due to the processing of natural materials, deviations of +/- 5% in the mass in running order are possible and permissible, and may have an impact on the payload stated in the price list.

Your ERIBA dealer will be happy to help you with any uncertainties or questions.

The payload listed is reduced when fitting optional extras by the weights listed in the price list.

The data regarding scope of delivery, appearance, performance, dimensions, weight, payload are correct at time of printing and are not binding. These may be subject to minor changes (+/- 5%).

Your ERIBA dealer will gladly provide information on changes and the standard scope of supply.

In direct sunshine onto the exterior panel of the ERIBA Touring models, heat development can lead to a certain irregularity in the exterior appearance. This is due to the unique handmade steel cage construction and is not a quality defect.

The prices indicated are only valid for optional extras if fitted in the production of a new vehicle. The retrofitting of some optional extras is sometimes not possible or associated with considerable additional costs.

This price list includes the series status at the time of printing. Despite checking the contents, errors can not be excluded. In the course of the model year, we reserve the right to change equipment and to make product improvements.

The layouts are partially shown with optional extras which are available at extra cost, these are not part of the standard scope of delivery.

The water installation system is at least state-of-the-art as of 07/2011 (EG directive 2002/72/EG). Before signing a sales contract, please inform yourself about our current product and series status with one of our approved ERIBA dealer.

All prices are recommended retail prices in GBP including legal applicable VAT, freight from Germany, first registration fee and pre-delivery inspection. For deliveries after 31.12.2020 import duties may apply. These are not included in the price and are charged separately

Changes in price, design and equipment are possible without prior notice.

This price list supersedes all previous ones.

Collection / Pick-up

Collection / Pick-up of your caravan at the factory is not possible.

Technical data

*) Data not available at time of going to press.

FOOTNOTES

1) The mass in running order refers to the standard delivery plus water and gas in an aluminum bottle 100 % according to EN 1645-2.

2) The payload possibilities can be reduced by ordering optional extras. The weight values can be found in the price list or can be requested from your ERIBA dealer.

3) Sleeping berths depending on layout variant. Sometimes the order of an additional cushion for bed conversion is required.

4) The tyre size depends on the chassis.

5) The optional spare wheel must correspond to the selected tyres. This means that the spare wheel on an alloy wheel can only be ordered with vehicle tyres with alloy wheels. The spare wheel on steel rims only in combination with vehicle tyres with steel rims.

6) Anti-skid system, storage compartment underfloor, mover (electric, engage / disengage) and 40 l waste water tank cancel each other. Only one of these positions can be ordered.

7) When ordering the optional mover, the order of the electric autonomy package is mandatory.

8) ERIBA Triton 430 + Troll 542: The external storage compartment flap on the LH side is not available in combination with the gas boiler.

9) Only available in combination with rear seating group.

10) Not available in combination with the optional rear seating group.

11) With removable bedside table and removable free-standing table as well as additional cushion parts for bed conversion of the round seating group. Extendable slatted frame / back seat with velcro band divided to broaden the lying surface.

12) TV pre-wiring is included when ordering the universal awning socket, but without any final fittings.

13) External pump only available in combination with the 30 l fresh water tank.

14) When ordering the optional autonomy package, the 230 V hot air blower (partly available as optional extra) is replaced by a 12 V hot air blower.

15) Only available in combination with water tank.

16) The options electric water boiler with 5 l water content and 10 l gas boiler cancel each other. Only one of these positions can be ordered.

17) When ordering the seating group in the rear, the rear exterior storage compartment flap on the RH side, 80 x 35 cm, is replaced by the rear exterior storage space flap on the RH side, 80 x 29 cm.

18) When ordering the rear seating group, the rear exterior storage compartment flap on the RH side, 55 x 35 cm, is replaced by the rear exterior storage space flap on the RH side, 55 x 29 cm.

19) The optional panoramic skylight in the elevating roof and the sleeping roof cancel each other. Only one of these positions can be ordered.

20) The options sleeping roof and awning cancel each other. Only one of these positions can be ordered.

21) The sleeping roof package excludes the following options: electric hot water boiler 5 l, additional electric heating, 10 l gas boiler, shower equipment.

22) The gas heating with integrated 10 l hot water boiler is only available when ordering the sleeping roof.

23) Only available in combination with TV pre-installation / TV-bracket.

Please note

This price list describes the series status at the time of printing. Despite checking the contents, printing errors cannot be ruled out. We reserve the right to make equipment changes or product improvements in the course of the model year. Please contact one of our authorised ERIBA dealers for information in the current product and series status before concluding a contract.

Some of the vehicles are shown with optional extras, which are included in the current price list and are available at an extra charge. The decoration shown is not part of the ERIBA scope of delivery. The information on scope of delivery, appearance, performance, dimensions and weights of the vehicles - deviations within the factory tolerances (+/- 5 % max.) are possible and permissible - corresponds to the knowledge available at the time of printing.

The information provided complies with European homologation regulations; these may change until the vehicle is purchased or until delivery. Your ERIBA dealer will be pleased to inform you about any changes and the standard scope of delivery.
